

LUTHER BURBANK SAVINGS

APPLICATION FOR FINANCIAL SUPPORT

Organization Information

Organization Name		Date
Address		
Contact Name		
Telephone	Email	
Organization 501(c)3 Tax-Exempt Number	Does the organization have a banking relationship with Luther Burbank Savings? <input type="checkbox"/> Yes <input type="checkbox"/> No	
Amount of Support Requested \$	Date Funds Needed By	

Please include the following information with the application:

- Organization's Mission
- Program Purpose and Location
As appropriate, detail how the request supports the organization's mission and/or program.
 - Provides affordable housing (rehab, construction, first-time homebuyer related)
 - Promotes/sustains economic development (job training, daycare centers, small businesses)
 - Revitalizes or stabilizes an area (designated disaster areas, distressed/underserved areas)
 - Provides a community service (youth programs, homeless shelters, healthcare, foster care)
 - Supports financial intermediaries (CDFI, community loan funds)
- Who are the beneficiaries of the program or services offered (e.g. PRIMARILY >50% low-/moderate-income individuals)? Provide supporting documents, statistics or demographics about the persons who are served.
- Explain how funds will be used to directly assist the recipients of your program or services (e.g. implementation of a specific endeavor, rather than for organizational general operating expenses).
- Current List of Board Members
- Other information you feel to be important when Luther Burbank Savings reviews your request.

Applications for financial support must be from a nonprofit tax exempt, 501(c)3 organization or public agency. An IRS letter of determination to validate exemption status may be required.

Priority consideration will be given to "Program Purpose and Location" and those efforts that benefit "low-/moderate-income individuals" as outlined above. Applications for support are reviewed on a weekly basis. Luther Burbank Savings will notify the organization of its outcome in writing promptly after a decision is made.
